Animation
26th July - 6th August 2010
Summer Academy

Stop

What is stop frame animation?

You must have heard of Shaun the sheep & Wallace and Gromit?

You will learn how to **animate characters**. You will **create a set of clay figures** and then learn how to **add special movements** to characters or objects. Just like on tv and in the movies, **you will become a top notch animator.**

Frame

Enjoyment

Going to be bored and sitting at home during the holidays and don't know what to do with yourself?

Improve your existing computer, writing, number and reading skills in a very fun and exciting way through stop frame animation!

ONLY 24 SPACES
